Welcome

Welcome to the Township of Tiny's Summer Day Camp program! Through exciting and active adventures, new friends, and caring staff, children will create wonderful memories that last a lifetime.

This booklet provides you with important information about the program, as well as details about our operations, expectations and more. Keep this guide on-hand for easy reference throughout the summer.

Township of Tiny

About Us

Our picturesque Township is located in the heart of Georgian Bay and boasts some of the most beautiful trails and beaches in the region.

The Township of Tiny is a culturally diverse community that respects the traditions of the past, is future focused, while protecting our environment and heritage for generations to come. Our permanent population is approximately 13,000, but as a popular destination for tourism and cottagers, our population more than doubles over the summer months.

Our Corporate Values encompass operational performance excellence, building strong and vibrant communities, growing our local economy, respect for our rural environment, responsible and responsive government and improving technology for our residents.

The Township has a total area of 344 square kilometers and has a coastline on Georgian Bay measuring 70 kilometers. The southern boundary, about 16 kilometers long, abuts the Springwater Township and the northern tip of the Town of Wasaga Beach. The eastern boundary, 17 kilometers long, marks the western boundary of Tay Township. The Township skirts the municipalities of Midland and Penetanguishene and embraces the coastline in a sweep around the peninsula.

★ Recreation Department

The Recreation Department is committed to improving the quality of life and well-being of the Township of Tiny citizens through recreation. It provides optimum access to a wide variety of recreation pursuits to meet the needs of all residents.

The Recreation Department, in partnership with Parks and dynamic volunteer groups and organizations, work together to provide parks, recreation and leisure time facilities, programs and services that strengthen, support and maintain a healthy family of communities.

Recreation is comprised of four full-time permanent staff members and approximately 200 volunteers. During the summer, the Department recruits over 20 students to assist in delivering summer programming.

Organizational Chart

Recreation Program Leaders (Seasonal)

Front-line staff who program, organize and deliver Day Camp. Reporting to an Assistant Supervisor, Recreation Program Leaders program to create an action-packed day full of crafts, games and other activities.

Day Camp Assistant Supervisors (Seasonal)

Responsible for the programming and delivery of the summer camp program; on-site supervisor ensuring program quality and suitable and creative activities.

Day Camp Supervisor (Seasonal)

Responsible for the day-to-day operations of Camp; direct supervisor to all Camp staff; oversees quality control.

Waterfront Lifeguards (Seasonal)

Responsible for the overall safety of campers at the waterfront on beach days.

Recreation Programmer (Seasonal)

Responsible for supporting summer recreational programming, including Summer Day Camps, Soccer, and Mobile Skate Park.

Environmental Stewart (Seasonal)

Supports the implementation of environmental stewardship and community garden initiatives.

Community Event Programmer (Seasonal)

Supports the coordination and delivery of Township events and community engagement initiatives.

Community Recreation Coordinator

Responsible for all recreational programming in the Township. Oversees the Summer Day Camp program and full-time manager of all Camp staff.

Recreation Administrative Coordinator

Responsible for administrative functions, including overseeing registration and payments, family communications and promotional materials.

Community Engagement Coordinator

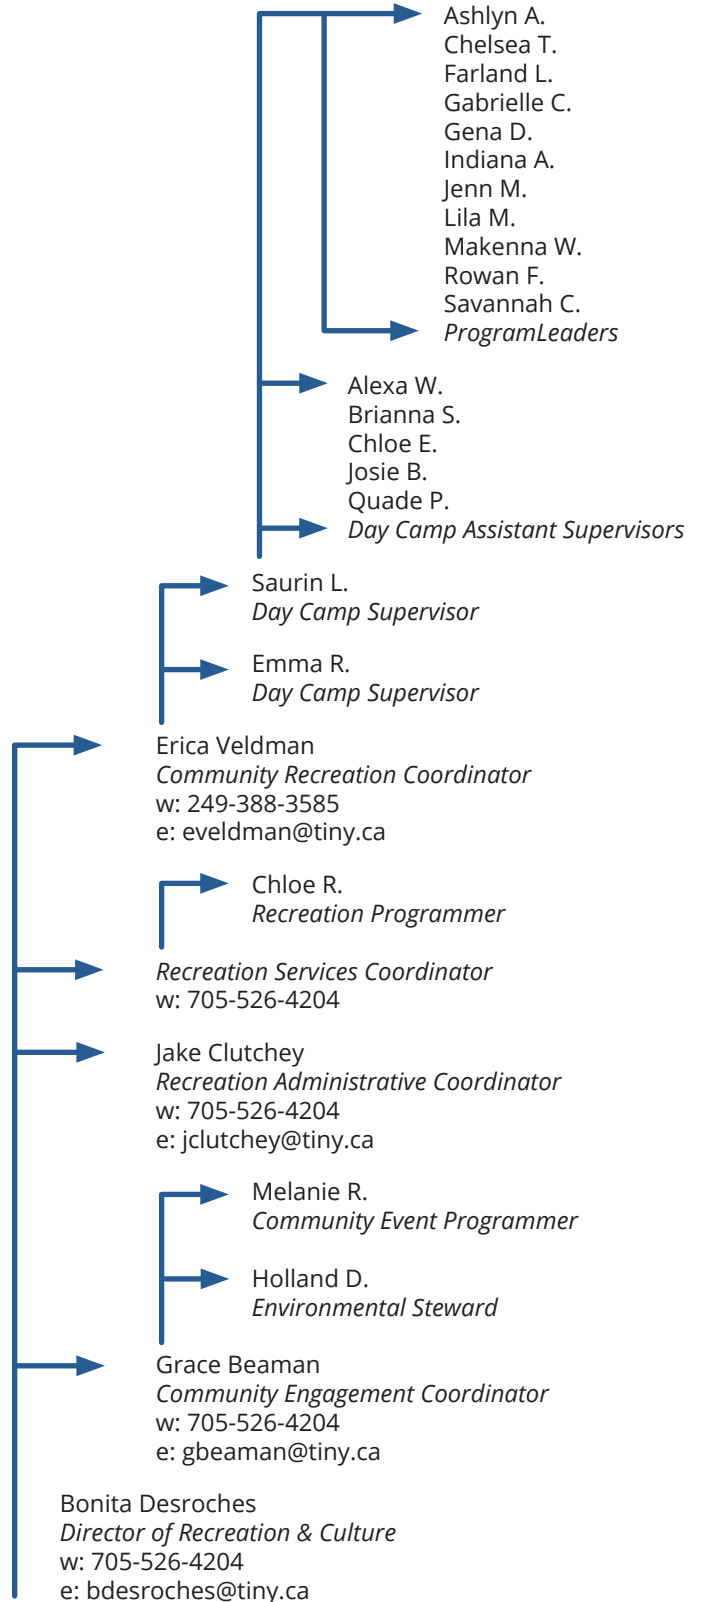

Responsible for corporate volunteers, special events and securing funding through grants.

Recreation Services Coordinator

Responsible for the management of recreational sports activities, including youth and senior services.

Director of Recreation

Responsible for the leadership, management and development of Recreation & Culture services in the Township of Tiny.

Registration Information

Registration & Payment

The Township of Tiny accepts various registration and payment methods for all its recreation programs.

We strongly recommend registering using the Play Portal as the other options outlined below take longer to process and may result in you being placed on a waitlist.

Play Portal  

www.tiny.ca/playportal

Use the Play Portal to register and pay with a credit card or Visa or MasterCard debit card. Credit cards can be saved to your account for future payments and refunds. By registering with the Online Portal, you can choose to defer your payments to two weeks before the start date of the program.

In-person, during office hours   

Hard-copy forms and payment (debit, cash, or cheque) may be submitted at the Municipal Office (130 Balm Beach Road West, Tiny).

In-person, outside office hours  

Hard-copy forms and payment (exact cash or cheque) may be submitted using the drop-box located beside the front door of the Municipal Office.

Make all cheques payable to: Township of Tiny.

★ Virtual Waiting Room

New this year, we have implemented a virtual waiting room and queuing system to ensure an equitable and fair registration process. The virtual waiting room is a static web page that displays the user's place in the queue in real-time and provides an estimate for when the user will reach the front of the queue. When it is the user's turn to access the site, they will then be able to enter the registration system and complete their transaction. You can browse programs in the Play Portal until 11:45am on registration day. After 11:45am, the Play Portal will automatically enter all users into the virtual waiting room. On registration day, please visit www.tiny.ca/playportal to enter the virtual waiting room.

Camper Requirements

Camp is all-ages, accommodating children ranging from ages 4 to 11. Campers will have the ability to join different informal programming groups throughout the day based on shared interests and skills.

Kinder Campers must be at least 4 years of age by the first day of camp. All other campers must be between the ages of 5 and 11 by December 31, 2024. Campers must be fully toilet-trained to attend all camp programs.

Waitlists

If your preferred camp is full, we recommend joining the waitlist. A completed registration form must be submitted to be added to a waitlist and payment will be taken only if a space becomes available.

You will be contacted by email only if a space becomes available and payment must be made within 48 hours.

Refund Policy

Refunds will be issued to the original payee. Cash, cheque and debit payments will be refunded by cheque and online payments will be refunded to the original card. Please allow up to 6 weeks to receive your refund.

At least 2 weeks prior to the start date: A full credit on your account or refund less a 5% processing fee.

Less than 2 weeks prior to the start date: Half the program fee as a credit on your account or half the program fee less a 5% processing fee.

Within 24 hours of the start date: No refund or credit.

Waitlist exception: If you withdraw and another participant can be moved into the program from the waitlist, you may receive a full or prorated refund or credit minus the processing fee.

For more information about the Withdraw, Refund & Credit Policy, visit www.tiny.ca/recreation/refunds or contact Jake Clutchey, Recreation Administrative Coordinator, at jclutchey@tiny.ca.

Sponsorship Opportunities

Each year, Tiny's Camp program provides children and youth with opportunities to participate in a wide variety of activities while promoting physical activity, healthy-outdoor living and social interaction.

The Township welcomes monetary sponsorships from local businesses and organizations in order to:

- Purchase program materials (e.g. craft supplies);
- Offer specialized in-house programs; and
- Keep registration fees affordable for campers.

A number of flexible sponsorship opportunities exist for various recreational and community programs and events. The Recreation & Culture Sponsorship Program is a great way to publicize your company, gaining exposure and access to the local community. In 2023 alone, approximately 200 families were served.

In return for your sponsorship, your company will be promoted on the Township website and social media, promotional materials and flyers, and more depending on the package selected. Additionally, at the end of the summer, you will be recognized with a summer-end token gift along with your tax receipt.

For additional information, contact Grace, Community Engagement Coordinator, at gbeaman@tiny.ca or (705) 526-4204

This was my daughter's first year in Camp and she had an amazing time; meeting new people, engaging in activities, playing sports and having new experiences. The staff team was kind, inviting and enthusiastic. Every night my daughter came home sweaty, sandy, covered in paint/ marker and exhausted from having so much fun!

All About Camp

↓ Overview

Camps in Tiny offer children of all ages a daily destination that gets them out of the house, learning, and having fun.

Each day proposes a variety of new activities and encourages healthy, active living in a natural setting.

Through exciting and active adventures, new friends, and caring staff, children will create wonderful memories that last a lifetime.

* No camp on Monday due to holiday.

📊 Summary of Camps

Week & Dates	Camps & Ages	Location	Fees
Week 1 (July 2 nd to 5 th) No camp Monday (Canada Day)	Kinder (Ages 4 to 5)	Perkinsfield Park	\$120 per week
	Discovery (Ages 6 to 8)		\$108 per week
	Adventure (Ages 9 to 11)		\$136 per week
	Settlers (Ages 4 to 11)	Lafontaine Park	\$96 per week
		Wyevale Park	\$96 per week

🏕️ Types of Camps

Voyagers Camps

Our voyagers camps include our familiar and popular Kinder, Discovery, and Adventure age groups. The camps offer lively, themed programming for all ages in addition to one excursion and beach trip each week.

Specialty Camps

These excursion-based camps offer exciting trips and activities each and every day. The Mini-Traveler, Traveler, and Trekker camps will explore local destinations, the beauties of Simcoe Muskoka, and beyond.

Settlers Camp

Come play with us and enjoy a grassroots summer at our Settlers Camp! Each day proposes a variety of new activities and encourages active living, nature-based play, and fostering new friendships. Each week includes a special guest and a beach day at a local beach.

In 2023, Tiny's Summer Day Camp program received an average 4.8 star rating from parents, with 80% of parents extremely satisfied with the overall program.

Average Day At Camp

Camper Drop-off (8:30am to 9:00am)	Supervised free-time.
Opening Circle (9:00am to 9:30am)	Attendance, camp rules, daily schedule, name and ice-breaker games.
High Energy Activities (9:30am to 10:15am)	Get active with games that'll get you moving.
Morning Break (10:15am to 10:30am)	Wash hands, eat snack, apply sunscreen, refill water bottles.
Choose Your Own Adventure (10:30am to 12:30pm)	Camp group chooses an activity.
Lunch Break (12:30pm to 1:00pm)	Wash hands, eat lunch, apply sunscreen, refill water bottles.
Craft / Exploratory Activities (1:00pm to 3:00pm)	Get creative with the craft bin and other STEM activities.
Afternoon Break (3:00pm to 3:15pm)	Wash hands, eat snack, apply sunscreen, refill water bottles.
Theme Activities (3:15pm to 4:00pm)	Special themed activities - check your weekly Camp Call newsletter.
Closing Circle (4:00pm to 4:30pm)	Rose and thorn of the day, puzzle update, daily reminders.
Camper Pick-up (4:30pm to 5:00pm)	Supervised free-time on Playground.

Special Activities & Day Trips

Each week, we select trips and activities that combine adventure and fun with educational opportunities.

When off-site, campers are provided with high-visibility pinnies to increase recognition. Our staff continue to conduct their regular headcounts to ensure that all campers are accounted for at all times. When on buses, they strategically space out to supervise and interact with all children, and continue programming on the bus with engaging activities, songs, and games.

Rules & Expectations

Camp-wide rules and expectations have been developed in order to foster a safe and positive camp environment. All campers, volunteers, and staff are to be courteous and respectful; use appropriate language at all times; support and appreciate each other; solve problems in a fair and honest manner; include others in activities; and play without bullying or teasing others.

Parents/guardians are asked to review the following rules and guidelines with their camper(s):

-  Recognize the rules for all games & activities
-  Encourage others & show good sportsmanship
-  Stay hands-free
-  Participate & have a positive attitude
-  Ensure a safe & clean environment
-  Care & be kind to one another
-  Take turns & play fair

If a camper struggles with the rules, staff will have a one-on-one discussion to explain why the rules are in place. If the behaviour continues, the parent/guardian will be notified at sign-out and asked to review the rules with their camper at home. If the behaviour persists, a meeting with senior staff, the parent/guardian, and the camper will be arranged to discuss how staff can best support the camper moving forward.

If a camper becomes aggressive or physically violent, the Day Camp Supervisor will remove the camper from the program immediately. A parent/guardian or emergency contact will be called to pick-up the camper and a meeting will be arranged with senior staff to further discuss the situation/options.

What to Bring to Camp

Nut-free lunch and at least four snacks

Each camp day consists of a morning snack break, lunch, and an afternoon snack break. Peanuts, peanut butter, tree nuts and all food containing nut by-products are not permitted at camp. Please consider the environment when packing camp lunches; reusable containers are preferred.

Re-fillable water bottle

Many campers find themselves drinking more water at camp than they do at school. This is due to the increased amount of physical activity throughout the day.

Campers must leave all electronic devices at home

Family Communications

On the Thursday before their first week of camp, families will receive a *Welcome to Camp* phone call and email. Staff will share important, program specific information and answer any questions.

Please ensure that we have the most up-to-date phone number and/or email address when registering so that we can reach you.

Every week, families will be emailed *The Camp Call*, our weekly newsletter outlining the activities for the week. You are encouraged to review the schedule carefully in order to be aware if important reminders, theme days, and other special activities.

During sign-out, Assistant Supervisors will share information with parents and/or guardians regarding their child's camp experience, development, attitude, and overall participation in the day camp program.

Outdoor footwear

Closed-toed outdoor footwear appropriate for the weather and activities must be worn (i.e. running shoes for regular use, outdoor boots for rainy weather). Flip flops may be packed for use during water activities.

Appropriate clothing

Wear "play" clothes. A hat, sunscreen and extra clothing (i.e. extra pair of socks) will be required for use throughout the day. Occasionally, campers will participate in water activities and should pack a bathing suit, towel and flip flops.

Rain gear

In rain, appropriate outdoor gear will be required as camp programming continues outdoors.

Special Meal Days

A good day starts with a healthy breakfast and we know how busy mornings can be.

Cereal, yogurt, granola bars, and seasonal fruit is offered to campers until 8:45am each morning. We are able to offer this completely free to our campers through generous sponsorships.

Pizza is available to purchase for lunch on Fridays. Each slice is \$2.00 and campers can choose between cheese or pepperoni.

Orders can be placed online through the Play Portal during registration or in person through an Assistant Supervisor during sign-in/sign-out with cash before Wednesday.

Camp Philosophies

Provide a safe, stimulating, child-centered summer camp experience by playing, laughing and enjoying nature. *We do this by:*

- conducting routine head-counts and ensuring age appropriate staff:camper ratios (Ages 4-5, 1:5; Ages 6-8, 1:8; Ages 9-11, 1:10; Mixed Ages, 1:8);
- focusing on nature-based play and delivering all camps in municipally owned parks and green spaces; and
- reducing travel and offering in-house programs that encourage healthy, active living.

Deliver a variety of recreational, social, and 'green' activities, ensuring there is something of interest for everyone. *We do this by:*

- providing campers with elements of choice throughout the day;
- offering a variety of sport activities, group games, and free & nature-based play & crafts;
- integrating green initiatives in weekly projects and highlighting the importance of protecting our planet.

Challenge staff in achieving the highest standard in positive, meaningful interactions with every single camper. *We do this by:*

- requiring that all staff be trained and certified in HIGH FIVE, the industry standard for quality children's recreation programming. Staff use this training when program planning, ensuring HIGH FIVE's essential principles (participation, play, mastery, friendship, and a caring adult) are incorporated at camp; and
- providing staff with a minimum of five comprehensive training days, which include rehearsing emergency scenarios and protocols, leadership training, team building, and learning new songs and games.

Empower children and youth, and support their physical and mental health by providing them with opportunities to face challenges and be successful. *We do this by:*

- planning activities which allow for scaffolding; where campers learn a skill or start a project their first day at camp and build upon that progress throughout the week;
- encouraging peer-to-peer support and engagement, and allowing campers with special interests to take the lead in certain games and activities; and
- asking that all electronic/hand-held devices be kept at home to ensure campers are engaged in activities and focused on having fun in the moment with peers and staff.

Encourage and nurture personal growth by showing recognition, acceptance, and kindness. *We do this by:*

- teaching our staff to motivate children and youth and encourage them to move beyond supervising to mentoring and coaching;
- implementing a Camper Recognition Program that focuses on both individual and group successes; and
- training all staff on inclusion-based approaches, focusing on how to create a supportive and inclusive environment.

As a new resident to Tiny, I am very pleased with the delivery of the summer camp program. The administration team is excellent as are the camp counselors. They were always warm, enthusiastic and conscientious. Highly recommend!

Mobile Skate Park

Tiny's Mobile Skate Park has a combination of roll-ins, fun-boxes with rails, pyramids with rails, grind-boxes, quarter-pipes, wall rides and a half pipe. Staff are trained to ensure appropriate fit of safety equipment and can teach basic skills and tricks.

This year, the Mobile Skate Park will support the Day Camp program by being available for camp groups throughout the day during scheduled weeks. Campers are encouraged to bring their skateboards, bikes, scooters or in-line skates to camp when the Skate Park is on location.

While some safety equipment is available on site, it is strongly recommended that campers bring their own helmet, kneepads and wrist guards. Campers will not be permitted to use the Skate Park without a signed waiver or if they refuse to wear the required safety equipment.

Camper Recognition

At the start of each week, the camp group will come together during morning circle to develop a *Camp Culture*. Campers and staff will brainstorm different rules and expectations to achieve throughout the week, establishing the "culture" at camp for the week.

The purpose of developing a *Camp Culture* is to help campers feel a sense of belonging and community while at camp. The group will collectively come up with rules, expectations and goals that surround five guiding principles: friendship, participation, environmentally friendly, creativity and respect.

As campers successfully demonstrate *Camp Culture* throughout the week, the group will be awarded a corresponding puzzle piece. A special camp celebration will be held at the end of the camp week if the group earns all puzzle pieces.

Location	Dates
Wyevale Park	July 8th to 11th July 15th to 18th
Lafontaine Park	July 29th to August 1st August 5th to 8th
Perkinsfield Park	August 12th to 15th

Beach Days

Beach days are the best, so this year, each camp group will have their own dedicated day at the beach. This means campers will have their chance at customizing their own fun in the sun.

Alongside regular programming, campers will have the opportunity for free-time in the water and on shore. Accompanied by our on-staff lifeguard, a designated section of the beach, marked with cones and buoys, ensures a dedicated and safe environment. In addition, all staff are briefed on waterfront best practices, including SafeGuard Swimming Standards.

On beach days, we encourage parents to send campers in their bathing suits. Personal flotation devices (PFDs) are welcomed and, if provided, must be worn during water activities.

Counselor in Training Volunteers

The Counselor in Training (CIT) and Counselor in Training Plus (CIT Plus) programs run in conjunction with the Summer Day Camp program. They provide youth with opportunities to contribute to the community while developing leadership skills in a fun, safe and social environment.

CITs enhance the camp experience by being role models and friends to campers. They help shy campers break out of their shells, challenge active campers to master skills and talents and encourage everyone to develop meaningful friendships. They greet campers, run games, assist campers with their belongings, help facilitate friendships and much more!

On the first week of the summer, CITs attend a training week with various professional development opportunities that provide them with the tools and knowledge needed to volunteer at Tiny's Summer Day Camps.

Youth in the standard Counselor in Training program learn the basics of camp and program planning, resume building, and employability. Youth in the graduated Counselor in Training Plus program receive their HIGH FIVE Principles of Healthy Childhood Development and Standard First-Aid CPR-C certification, both required in order to join the Tiny Summer Day Camp staff team.

For more information about this program, visit tiny.ca/youth.

HIGH FIVE Principles

As a HIGH FIVE Registered Organization, the Township of Tiny is committed to ensuring every child and youth in its programs has a positive sport and recreation experience.

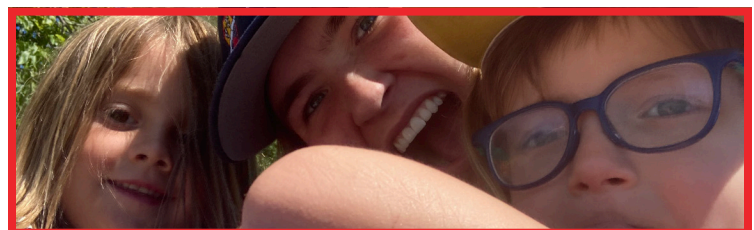

The Township creates a culture of quality by training all staff in HIGH FIVE principles of healthy childhood development, which encourages a holistic approach to quality assurance by involving everyone in recreation.

HIGH FIVE is Canada's only comprehensive quality standard for children's programs, offering a holistic approach to healthy child development based in years of research.

Quality matters because research shows people are more likely to stay active for life if they have positive experiences in sport, recreation and physical activity as a child.

HIGH FIVE holds true to the following five Principles of healthy child development that the research indicates are essential for providing a positive experience for kids:

-  A Caring Adult
-  The opportunity to make Friends
-  The opportunity to Play
-  The opportunity to Master skills
-  The opportunity to Participate

Youth Summer Day Trips (Ages 11-18) **Tiny** TOWNSHIP OF CANTON DE

Joyride 150 Indoor Bike Park

Get ready to pedal your way through an adrenaline-fueled adventure to master new tricks! Embark on a thrilling journey to Joyride 150 Indoor Bike Park to explore over 100,000 square feet of indoor riding space, featuring a variety of ramps, jumps, and obstacles suitable for all skill levels. Whether you're a beginner or an experienced rider, there's something for everyone.

Fee: \$100

JUL 11	THURS	9:00 AM	5:00 PM
--------	-------	---------	---------

Splash ON Inflatables Water Park

Get ready for a day full of laughter, splashes, and excitement at the Splash ON inflatable waterpark at 55 Lakeshore Drive in Barrie! This is the ultimate destination to cool off and have some fun on a hot summer day. If you need a break from all the action, you can relax on the beach or take a dip in the calm waters of Kempenfelt Bay.

Fee: \$100

AUG 1	THURS	11:00 AM	4:30 PM
-------	-------	----------	---------

High Flying Treetop Trekking

Get ready for an exhilarating outdoor adventure with a trip to Tree Top Trekking at Horseshoe Valley! This high-flying experience will take you to new heights as you navigate a thrilling aerial obstacle course, zip lines, and suspension bridges high up in the treetops. As you navigate the course, you'll feel the rush of adrenaline as you climb, swing, and zip your way from tree to tree.

Fee: \$100

JUL 18	THURS	9:00 AM	4:00 PM
--------	-------	---------	---------

Canada's Wonderland

Get ready for a thrilling adventure that you'll never forget with a trip to Canada's Wonderland! With over 200 thrilling rides, roller coasters, and attractions, this world-class amusement park has something for everyone. From the moment you step through the gates, you'll be immersed in excitement and energy.

Fee: \$100

AUG 15	THURS	8:00 AM	8:00 PM
--------	-------	---------	---------

Register at: www.tiny.ca/playportal

Illness & Injuries

The safety and well-being of all campers, volunteers and staff are of utmost importance. Campers who are potentially infectious must stay home.

All Township of Tiny Summer Day Camp staff are trained in Standard First Aid & CPR-C. Staff will treat minor injuries (i.e. bumps, bruises, scrapes) and complete a Participant Incident Report Form detailing the incident. The form will be presented for perusal, comment and signature at sign-out.

The Day Camp Supervisor will contact the parents/guardians or emergency contact for any camper who becomes ill or seriously injured while at camp. Please ensure all contact information provided at registration is accurate and up-to-date.

Lost & Found

The Township is not responsible for lost, damaged or stolen personal items. Please ensure you label your camper's belongings.

Items left behind are stored at camp in a lost and found bin until the end of September. The lost and found bin will be on display at sign-in and sign-out each day.

Sun Safety

Sunscreen should be applied to campers at home prior to arriving. It should be brought to camp and will be applied regularly. Families are encouraged to show their camper(s) how to properly apply sunscreen. Staff will remind campers throughout the day to reapply their own sunscreen. If indicated, staff may assist younger campers with sunscreen application.

Between 11am and 4pm, the ultraviolet rays are the most intense. Heat stress occurs when a combination of hot, humid conditions and physical activity strains overcome the body's natural cooling system. Heat stroke is a form of extreme heat stress that can cause serious symptoms and requires medical attention. During sunny and hot days, camps will avoid activities in the direct sun and increase water breaks.

Inclement Weather

In heavy rain, during thunderstorms, or in times of severe weather advisories, all programming will move to an indoor facility.

Parents/guardians are invited to speak with the Day Camp Supervisor about creating a plan for early pick-up on stormy days should it be in the best interest of the camper/family.

Medications

If a camper requires medication while at camp, a Medical Information Sheet must be completed at sign-in. Medications need to be provided in their original packaging.

Medications will be kept in a secure location by an Assistant Supervisor with the exception of epinephrine auto-injectors and puffers (which may be carried by campers with permission from parents/guardians). The Assistant Supervisor will administer medication as directed on the Medical Information Sheet, record their actions on a Medical Administration Log and present the form for review at sign-out.

Any information shared regarding your camper's medical condition(s) is/are confidential and communicated only to pertinent staff. If you wish to set up an appointment to speak with staff about your camper's needs in more detail, please contact, Erica Veldman, Community Recreation Coordinator, at 705-526-4204 or eveldman@tiny.ca.

Camp Staff

The Township of Tiny Camp staff are post-secondary or senior high school students who share one thing in common: they are committed to providing each 'Tiny' camper with a positive and lasting camp experience.

The Township of Tiny has high expectations of every staff member and those are reflected in the Township's hiring policies. Potential staff members, including those previously employed at the Township of Tiny, submit an application each year to join the staff team. Applicants who have qualifications in a variety of program areas (i.e. sports, crafts, music, drama) are hired to ensure the week is filled with a variety of high quality programming. All staff members must also successfully complete a vulnerable sector police check.

Staff receive extensive training prior to the start of camp and hold many industry standard certifications. All staff are trained in the HIGH FIVE principles of Healthy Child Development, receive inclusion training and are also Standard First Aid & CPR-C certified.

Each year, over 50% of staff members return to Tiny. This means that our staff are familiar with and support the Township's camp philosophy, understand expectations, and are committed to providing the best experience for each 'Tiny' camper.

The camp staff were AMAZING. They were kind, friendly, made sure everyone was included and my child came home happy and tired everyday!

Lined writing area with horizontal blue lines and yellow margin lines.
