Time: 1pm to 3pm

**Georgian Shores Seniors Club open house
here at**

“The Place”

With tremendous support from Tiny Township and Bayfield House, we will be hosting an open house to promote our club. The event will highlight our wide variety of activities and programs. Any member who attends and brings a friend who is not a member will receive a small gift of appreciation for their support and any NEW members who join that day will also receive a small gift.
